

## INDEX MS 32 C

**Kind :** Cnc multispindle lathe  
**Brand :** INDEX  
**Model :** MS 32 C  
**Year :** 2002  
**Serial Nr:** 150202  
**Stock Nr :** 10335

### TECHNICAL DETAILS

- number of spindles : 6 independent
- bar clearance : 32 [mm]
- maxi spindle speed : 6 300 [rpm]
- machine equipped with 28 numerical axes
- slide unity 1.1 : X and Z axes controlled by CNC
- slide unity 2.2 : X and Z axes controlled by CNC
- slide unity 3.1 : X and Z axes controlled by CNC
- slide unity 3.2 : X and Z axes controlled by CNC
- slide unity 4.1 : X and Z axes controlled by CNC
- slide unity 4.2 : X and Z axes controlled by CNC
- slide unity 5.1 : X and Z axes controlled by CNC
- slide unity 5.2 : X and Z axes controlled by CNC
- slide unity 6.1 : X and Z axes controlled by CNC
- slide unity 6.2 : X and Z axes controlled by CNC
- synchronous unit, spindle position 6.1

### EQUIPMENT

- INDEX C200-4 control (Siemens SINUMERIK 840D)
- Simple NCU
- IEMCA SIR MS32/33/P bar feeder
- Coolant tank : KNOLL AE 1076
- \* with high-pressure pump
- KNOLL VRF 500 chips conveyor

**Kind : Cnc multispindle lathe**

**Brand : INDEX**

**Model : MS 32 C**

**Year : 2002**

**Serial Nr: 150202**

**Stock Nr : 10335**

- Parts catcher with conveyor in position 6
